GIRLS ONLY!

Saturday, 27th July – Saturday, 3rd August

APPLY NOW!

WHY JOIN US?

*"We at **MILLIE** have been successfully running in-person Explorer Bootcamps around the world, and are excited to host our very first one designed exclusively for girls and hosted at the beautiful school of Surval Montreux. We crafted this program to empower young girls to find their own answers to critical questions such as "where should I study?" or "what should I study?" While discovering new skills and making friends, they will get a head-start with their global university preparation journey. With a mix of group classes and 1-1 support, our summer camp will turn passions and ideas into customized, inspiring and actionable roadmaps for success."*

- **15 hour MILLIE group classes** **in person**
Mon - Fri 9am - 12pm
- **30 hour + Surval excursions, workshops & activities** **in person**
Mon - Fri 1pm - 4pm ; 5pm - 6pm ; 7pm - 8pm
Sun All day excursion

Saturday, 27th July

Arrivals Day

Flights should be booked to arrive at Geneva airport between 10am and 6pm in order to benefit from the meet and greet service at the airport. A member of Surval staff will be based at the airport during these hours to support the arrival of students and organisation of transfers. Transfers to Surval can be booked at an additional cost of 380CHF each way. Students being dropped off directly in Surval should aim to arrive 1-4pm.

Sunday, 28th July

Swiss Cultural Day

Cailler Chocolate Factory, Gruyères & Cheese Factory

Monday, 29th July - Friday, 2nd August

	INTRODUCTION	VISION BOARDING	UNIVERSITY AND MAJOR EXPLORATION	EXTRACURRICULAR AND ACADEMIC EVALUATION	WRAP UP
GOAL	GET TO KNOW YOUR MENTOR AND THE PROGRAM	DESIGN YOUR FUTURE, SHARE YOUR INTEREST	WHERE DO YOU WANT TO STUDY? WHAT DO YOU WANT TO STUDY?	EXTRACURRICULAR AND ACADEMIC EVALUATION	WHAT DID YOU LEARN ABOUT YOURSELF? AND OTHERS?
CONTENT	<ul style="list-style-type: none"> Explore your academic and extracurricular passions with our Millie mentors You will understand the program structure thoroughly, set goals for what you would like to achieve through the program You will be introduced to the concept of a vision board 	<ul style="list-style-type: none"> Your mentor shares their own vision board as well as other students' samples for inspiration. Students create their own vision boards and present them 	<ul style="list-style-type: none"> First, let's understand different universities in different countries, and also what kind of environment you would thrive in. Then, you will perform in-depth research yourself on your three dream schools and majors. You will present during the session and get into the deep dive discussions on why. Your mentor will share other students' work for inspiration. 	<ul style="list-style-type: none"> You will share your current and past extracurricular activities list alongside their school transcripts, and other academically related materials. You will then brainstorm future extracurricular activities and add them to the list. 	<ul style="list-style-type: none"> Sadly, it's time to wrap up our explorer bootcamp program. All the findings on your "self-discovery" journey will be delivered in a format of the Discovery Report. This will be shared by our Millie mentor with you and your parents.
EXERCISES	Introduce yourself to your mentor and your classmates	<p>Create your own vision board</p> <p>Present your vision board to your mentor and your classmates</p>	<p>Ivy League vs. Oxbridge quiz.</p> <p>Write in one or two paragraphs what you learned</p> <p>Read and write reflection on Malcolm Gladwell's "David and Goliath" passage</p> <p>Research your selected schools and majors</p> <p>Present your research to your mentor and your classmates</p>	<p>Write down 5 current and past extracurricular activities</p> <p>Write down 5-10 future activities you want to be involved in</p>	Write in one or two paragraphs your final reflection on the program.

Audience & Requirements

GIRLS ONLY

14-16 years' old** (Grade 9 / Year 10 - Grade 10 / Year 11)

**Younger (Grade 8 / Year 9) and older (Grade 11 / Year 12) students' applications are evaluated case by case

"This course really made me THINK."

Although I believe anyone would enjoy this course, I think those who have a good mindset and are determined will benefit most from it.

Tala O. - 9th grade

"I know what it takes to apply to TOP UNIS."

I learned that it's going to take a lot of work, but the course made me feel excited about it.

Meagan L. - Year 9

"INSPIRING"

We were introduced to many mentors, and I met someone who graduated from my dream university with a dream major. I was so excited and inspired.

Leena S. - 8th grade
