Survall Ski Camp Week

At the end of January, the whole school heads to Anzère, a beautiful Swiss resort.

There are no academic lessons during Survall ski camp: it is a full week of fun activities on the slopes, skiing, snowboarding and snowshoeing.

Evening activities take place within the resort which has many facilities in a spectacular and safe location: ice skating, torchlit descent, thermal baths, tobogganning.

The end of Ski Week is celebrated with an awards ceremony and traditional Swiss fondue. Ski Camp is a highlight of our Winter Term and enjoyed by all Winter Campers and High School students together.
