Welcome to Surval Winter Camp

Surval's Winter Camp is a world class experience for girls aged 12-18 from all over the world.

Our Winter Camp combines both academic and physical activities taking full advantage of our prime location in the beautiful Swiss mountains. Girls who join us for Winter Camp become members of our international Surval Montreux community, and are fully integrated into School life, with a multitude of clubs, activities and experiences to enjoy.

They can study French and / or English alongside High School classes, Etiquette, Culinary Arts and Art. We offer plenty of flexibility, and if additional lessons are required in a school subject, this can be arranged.

Winter Campers enjoy numerous excursions, Tuesday skiing and exciting winter activities. On Thursday afternoons Winter Campers join the whole school for Ski Thursdays. We also offer weekends in some of Europe's leading ski resorts such as Crans Montana, Grimentz and Zermatt.

"My Surval experience as a winter camper was a once-in-a-lifetime opportunity. I had to get out of my comfort zone meeting many new people and staying in a new environment and I now have friends from all over the world. Since going to Surval I have become a lot more confident in myself and more independent. Surval has been the making of me!"

Ski Week

25 January to 31 January 2026

At the end of January, the whole School heads to the mountains for a week of skiing.

There are no academic lessons during Survival Ski Week: it is a full week of fun activities on the slopes, skiing, snowboarding and snowshoeing.

Evening activities take place within the resort which has many facilities in a spectacular and safe location: ice skating, torchlit descent, thermal baths and tobogganing.

The end of Ski Week is celebrated with an awards ceremony and a traditional Swiss fondue. Ski Camp is a highlight of our Winter Term and enjoyed by all Winter Campers and High School students together.
