Welcome to Surval Winter Camp

Surval's Winter Camp is a world class experience for girls aged 12-18 from all over the world.

Our Winter Camp combines both academic and physical activities taking full advantage of our prime location in the beautiful Swiss mountains. Girls who join us for Winter Camp become members of our international Surval Montreux community, and are fully integrated into School life, with a multitude of clubs, activities and experiences to enjoy.

They can study French and / or English alongside High School classes, Etiquette, Culinary Arts and Art. We offer plenty of flexibility, and if additional lessons are required in a school subject, this can be arranged.

The whole School takes to the slopes on Thursday afternoons (Ski Thursdays) and we also offer weekends in some of Europe's leading ski resorts such as Gstaad and Verbier.

Winter Camp Activities and Trips

Ski Week (January, 25th - February 1st)

At the end of January, the whole School heads to the mountains for a week of skiing.

There are no academic lessons during Survival ski week: it is a full week of fun activities on the slopes, skiing, snowboarding and snowshoeing.

Evening activities take place within the resort which has many facilities in a spectacular and safe location: ice skating, torchlit descent, thermal baths and tobogganing.

The end of Ski Week is celebrated with an awards ceremony and a traditional Swiss fondue. Ski Camp is a highlight of our Winter Term and enjoyed by all Winter Campers and High School students together.

“My Surval experience as a winter camper was a once-in-a-lifetime opportunity. I had to get out of my comfort zone meeting many new people and staying in a new environment and I now have friends from all over the world. Since going to Surval I have become a lot more confident in myself and more independent. Surval has been the making of me!”
